

Quiz 02: User Stories

Due Sep 14 at 10pm**Points** 10**Questions** 6**Time Limit** None

Instructions

Answer the following questions in your own words. Do NOT simply cut and paste the information from the slides. You will receive a score of 0 if you copy the prose from the slides.

For this quiz you will play 2 roles: sometimes you will act as a customer and sometimes you will act as a software developer.

You will describe the features and user stories for an event planning iPhone application. The system should allow you to plan events such as parties, meetings, etc. including creating a guest list, arranging with a caterer for food and drinks, inviting guests, tracking RSVP responses, sending out follow up messages after the event.
